

# DAS STEINGUT

Uwe und Sabine Hähnel

Farm refreshments

*DAS STEINGUT* is a small farm right on the Elbe, opposite the town of Königstein.

01824 Königstein | Halbestadt 25 (by ferry)

*DAS STEINGUT* is on the Elbe cycle path where the climb to the Lilienstein starts, and so it is a good opportunity for cyclists and ramblers to rest for a moment.

We would like to invite you to have a coffee and freshly baked cake or a light snack on our terrace or in our small cafeteria housed in a former stable with a vaulted ceiling.

Examples of our food include a platter of cold meats with salami from aurochs on the farm at Hof Lehmann, mutton sausage from our own farm, soft goats cheese from the Lauterbach goat farm and cheese from Cunnersdorf/Hohnstein from the Hof Steinert farm.

We also serve seasonal hot dishes, such as pan-fried lamb, goulash, and nettle or pumpkin soup. There are donkeys and goats and other farm animals to see here.

*Try some Halbestädter Bergwiesenlikör,  
our home-made liqueur!*
